	IECEx Certificate of Conformity			
INTERNATIONAL ELECTROTECHNICAL COMMISSION IEC Certification Scheme for Explosive Atmospheres for rules and details of the IECEx Scheme visit www.iecex.com				
Certificate No.:	IECEx CSA 07.0001	issue No.:1	Certificate bistory	
Status:	Current]	Issue No. 1 (2010-3-19) Issue No. 0 (2007-2-8)	
Date of Issue:	2010-03-19	Page 1 of 4		
Applicant:	Connection Technology Center, Inc 7939 Rae Boulevard Victor, New York, USA 14564 United States of America			
Electrical Apparatus: Optional accessory:	Vibration Sensors, Series AC95x-xxxxx-x, AC96x-xxxxx-x, LP85x-xx-xxx, LP86x-xx-xxx, LP95x-xx-xxx and LP96x-xx-xxx (Refer to Schedule)			
Type of Protection:	Ex ia IIC T3/T4; DIP A20 IP6X 150°C (T-Code =T3) or T105°C (T-Code = T4)			
Marking:	IECEx CSA07.0001 Ex ia IIC T3/T4; DIP A20 IP6X 150°C (T-Code =T3) or T105°C (T-Code = T4) -40°C to +80°C (AC96x, LP8xx and LP9xx Series) or -40°C to +125°C (AC95x Series) or -40°C to +125°C (AC96x Series) AC95x, LP85x, and LP95x - Ui = 28VDC, Ii = 100mA, Pi = 1W, Ci = 70nF, Li = 51 μ H AC96x, LP86x and LP96x - Ui = 28VDC, Ii = 100mA, Pi = 1W, Ci = 0nF, Li = 0 μ H (when not provided with integral cable) AC96x, LP86x and LP96x - Ui = 28VDC, Ii = 100mA, Pi = 1W, Ci = 80.4nF, Li = 137.76 μ H (when provided with a maximum of 1640 feet (500m) of integral cable)			
Approved for issue on behalf of the IECEx Dave Adams Certification Body:				
Position:		Technical Advisor		
Signature: (for printed version) Date:				
 This certificate and schedule may only be reproduced in full. This certificate is not transferable and remains the property of the issuing body. The Status and authenticity of this certificate may be verified by visiting the Official IECEx Website.

Certificate No: Year 2013 Det of Issue: Year 2013 Certificate No: Year 2013 Manufacturer: Certificate Power Aug Year 2014 Year 2014 Manufacturer: Certificate States of America Manufacturing location(s): Manufacturers assesses and tested and finite the manufacturers quality system, relating to the Exproduces covered by this certificate, was assessed and found to comply with the IECEX Coality system requirements. This certificate hyperates assesses and and wat the manufacturers quality system, relating to the Exproduces covered by this certificate, was assessed and found to comply with the IECEX Coality system requirements. This certificate apparatus and any acceptable variations to it specified in the schedule of this certificate and the identified documents, was found to comply with the IECEX Scheme Rules, IECEX 02 and Operational Documents as amended. Manufacturing Electrical apparatus for explosive gas atmospheres - Part 0: General requirements. This paratus for explosive gas atmospheres - Part 10: Electrical apparatus for explosive gas atmospheres - Part 11: Electricate apparatus protected by enclosures and surface temperature Instation - Specification for apparatus protected by enclosures and surface temperature Instation - Specification for apparatus protected by enclosures and surface temperature Instation - Specification for apparatus protected by enclosures and surface temperature Instation - Specification for apparatus protected by enclosures and surface temperature Instation - Specification for apparatus protected by enclosures and surface temperature Instation - Speceificatino for apparatus protected by enclosures and			Ex Certificate Conformity		
Page 2 of 4 Manufacturer: Connection Technology Center, Inc. Ziga Page Bouleward Victor, New York, USA 14564 United States of America United States of America Manufacturing location(s): This certificate is issued as verification that a sample(s), representative of production, was assessed and tested and found to comply with the IECE Standard list below and that the manufacturer's quality system, relating to the Ex products covered by this certificate, was assessed and found to comply with the IECEX Quality system requirements. This certificate is granted subject to the conditions as set out in IECEX Scheme Rules, IECEX 02 and Operational Documents as amended. STANDARDS: Electrical apparatus and any acceptable variations to it specified in the schedule of this certificate and the identified documents, was found to comply with the following standards: Efficitor: 3: Electrical apparatus for explosive gas atmospheres - Part 0: General requirements for explosive gas atmospheres - Part 1: Electrical apparatus protected by enclosures and surface temperature limitation - Specification for apparatus protected by enclosures and surface temperature limitation - Specification for apparatus protected by enclosures and surface temperature limitation - Specification for apparatus This Certificate does not indicate compliance with electrical safety and performance requirements as recorded in the Standards listed above. TES 1 ASSESSENT REPORTS Manufacture of the equipment listed has successfully met the examination and test requirements as recorded in the Standards listed above. CACSAVEXTRO7.00	Certificate No.:	IECEx CSA 07.0001			
Manufacturer: Connection Technology Center, Inc. 7393 Rae Boulevard Victor, New York, USA 14564 United States of America United States of America Manufacturing location(s): This certificate is issued as verification that a sample(s), representative of production, was assessed and tested and found to comply with the IEC Standard list below and that the manufacturer's quality system requirements. This certificate is granted subject to the conditions as set out in IECEx Scheme Rules, IECEx 02 and Operational Documents as amended. STANDARDS: The electrical apparatus and any acceptable variations to it specified in the schedule of this certificate and the identified documents, was found to comply with the following standards: IEC 60079-01 : 2000 Electrical apparatus for explosive gas atmospheres - Part 0: General requirements Edition: 3.1 Explosive atmospheres - Part 11: Equipment protection by intrinsic safety "!" Edition: 3.1 Electrical apparatus for explosive gas atmospheres - Part 0: General requirements Edition: 3 Electrical apparatus for use in the presence of combustible dust - Part 11: Electrical apparatus protected by enclosures and surface temperature limitation - Specification for apparatus This Certificate does not indicate compliance with electrical safety and performance requirements as recorded in the Standards listed above. TEST 4 ASSESSMENT REPORTS: A sample(s) of the equipment listed has successfully met the examination and test requirements as recorded in test Report:	Date of Issue:	2010-03-19	Issue No.: 1		
7939 Rae Boulevard Victor, New York, USA 14564 United States of America Manufacturing location(s): This certificate is issued as verification that a sample(s), representative of production, was assessed and tested and found to comply with the IEC Standard list below and that the manufacturer's quality system, relating to the Ex products covered by this certificate, was assessed and found to comply with the IECEx Quality system requirements. This certificate is granted subject to the conditions as set out in IECEx Scheme Rules, IECEx 02 and Operational Documents as amended. STANDARDS: The electrical apparatus and any acceptable variations to it specified in the schedule of this certificate and the identified documents, was found to comply with the following standards: IEC 60079-0 : 2000 Electrical apparatus for explosive gas atmospheres - Part 0: General requirements Edition: 3.1 IEC 60079-11 : 2006 Explosive atmospheres - Part 11: Equipment protection by intrinsic safety "!" Editor: 2 IEC 61241-1-1 : 1999 Electrical apparatus for use in the presence of combustible dust - Part 1-1: Electrical apparatus protected by enclosures and surface temperature limitation - Specification for apparatus This Certificate does not indicate compliance with electrical safety and performance requirements as recorded in the Standards listed above. TEST & ASSESSMENT REPORTS: A sample(s) of the equipment listed has successfully met the examination and test requirements as recorded in Test Report: CACSA/ExtRO7.0004/01 Quality Assessment Report;			Page 2 of 4		
This certificate is issued as verification that a sample(s), representative of production, was assessed and tested and found to comply with the IEC Standard list below and that the manufacturer's quality system, relating to the Ex products covered by this certificate, was assessed and found to comply with the IECEx Quality system requirements. This certificate is granted subject to the conditions as set out in IECEx Scheme Rules, IECEx 02 and Operational Documents as amended. STANDARDS: The electrical apparatus and any acceptable variations to it specified in the schedule of this certificate and the identified documents, was found to comply with the following standards: IEC 60079-0: 2000 Electrical apparatus for explosive gas atmospheres - Part 0: General requirements Edition: 3.1 IEC 60079-01: 2006 Electrical apparatus for explosive gas atmospheres - Part 0: General requirements Edition: 5 IEC 61241-1-1: 1: 1999 Electrical apparatus for use in the presence of combustible dust - Part 1-1: Electrical apparatus protected by enclosures and surface temperature limitation - Specification for apparatus This Certificate does not indicate compliance with electrical safety and performance requirements as recorded in the standards listed above. TEST & ASSESSMENT REPORTS: A sample(s) of the equipment listed has successfully met the examination and test requirements as recorded in Test Report: CA/CSA/EXTR07.0004/01 Quality Assessment Report:	Manufacturer:	7939 Rae Boulevard Victor, New York, USA 1	4564		
found to comply with the IEC Standard list below and that the manufacturer's quality system, relating to the Ex products covered by this certificate, was assessed and found to comply with the IECEx Quality system requirements. This certificate is granted subject to the conditions as set out in IECEx Scheme Rules, IECEx 02 and Operational Documents as amended. STANDARDS: The electrical apparatus and any acceptable variations to it specified in the schedule of this certificate and the identified documents, was found to comply with the following standards: IEC 60079-0: 2000 Electrical apparatus for explosive gas atmospheres - Part 0: General requirements Edition: 3.1 IEC 60079-11: 2006 Explosive atmospheres - Part 11: Equipment protection by intrinsic safety "i" Edition: 5 IEC 61241-1-1: 1999 Electrical apparatus for use in the presence of combustible dust - Part 1-1: Electrical apparatus protected by enclosures and surface temperature limitation - Specification for apparatus This Certificate does not indicate compliance with electrical safety and performance requirements as recorded in the Standards listed above. TEST & ASSESSMENT REPORTS: A sample(s) of the equipment listed has successfully met the examination and test requirements as recorded in Test Report: CA/CSA/EXTR07.0004/01 Quality Assessment Report:	Manufacturing location(s):				
The electrical apparatus and any acceptable variations to it specified in the schedule of this certificate and the identified documents, was found to comply with the following standards: IEC 60079-0: 2000 Electrical apparatus for explosive gas atmospheres - Part 0: General requirements Edition: 3.1 Electrical apparatus for explosive gas atmospheres - Part 0: General requirements Edition: 3.1 Explosive atmospheres - Part 11: Equipment protection by intrinsic safety "!" Edition: 5 Electrical apparatus for use in the presence of combustible dust - Part 1-1: Electrical apparatus protected by enclosures and surface temperature limitation - Specification for apparatus This Certificate does not indicate compliance with electrical safety and performance requirements other than those expressly included in the Standards listed above. TEST & ASSESSMENT REPORTS: A sample(s) of the equipment listed has successfully met the examination and test requirements as recorded in Test Report: CA/CSA/ExtR07.0004/01 Quality Assessment Report:	found to comply with the IE covered by this certificate, certificate is granted subject	C Standard list below and that the was assessed and found to compl	manufacturer's quality system, relating to the Ex products y with the IECEx Quality system requirements.
